On 08/11/2018, at about 1947 hours, Sky Sierra Oliver (DOB (b)(5)(A)) pointed a shotgun and made verbal threats to shoot four different people at the Hideaway Lake Estates, located at (b)(5)(A) Lilac Road, Valley Center, in the County of San Diego. Two of the victims were (b)(5)(B) years old and obviously elders. This is in violation of 245 (A)(2)PC (Assault with deadly weapon/firearm), 422(A)PC (Threaten crime with intent to terrorize), and 368 (B)(1)PC (Likely to cause harm/death to elder/dependent adult).

After the altercation, Sky fled the scene in a white 1995 Saturn. Sky attempted to carjack a vehicle near the ARCO station located at 26915 Mesa Rock, in unincorporated Escondido, which is in violation of 215(A) PC (Carjacking). See Deputy Moreno's crime report (b)(5)(B) for further details .

Sky fled the scene and went to a residence located at (b)(5)(B) in Escondido, where he forced entry into a residence and stole a black Chevrolet Silverado truck (CA LIC# (b)(5)(B)) without the owner's permission (See Escondido Police Department Case Report (b)(5)(B) .

Sky fled the scene in the stolen Chevrolet Silverado truck. Escondido Police Department (EPD) Officers Guerrero and Mondragon located the stolen Chevrolet Silverado truck heading northbound on Interstate 15. EPD attempted to conduct a traffic enforcement stop on Sky in the stolen truck (See EPD Case Report (b)(5)(B) . Sky failed to yield which is in violation of 2800.2(A) VC (Evade Peace Officer its wanton Disregard for safety).

A pursuit ensued and concluded back at the Hideaway Lake Estates in Valley Center where Sky was taken into custody after he was shot with the less lethal shotgun and K-9 bite. (See reports by Sgt. Byrne #1316, Deputies Buswell #1118 , Westfall #0158, Baydo #0757, Stapleton #4200, Crawford #0045 and me).

A Mossberg Shotgun with a visibly altered barrel and several shotgun shells were found inside the stolen Chevrolet Silverado truck. The shotgun had a barrel length of approximately 16 inches, which is in violation of 33210 PC (Manufacture/import/possess/etc. Short-Barreled Rife/Shotgun). Sky was also in violation for 496 D (A) PC (Possession of stolen vehicle).

I placed Sky under arrest for 245 (A)(2)PC (Assault with deadly weapon/firearm), 422(A)PC (Threaten crime with intent to terrorize), 368 (B)(1)PC (Likely to cause harm/death to elder/dependent adult), 496 D (A) PC (Possession of Stolen Vehicle) and 33210 PC (Manufacture/import/possess/etc. Short-Barreled Rife/Shotgun).

Valley Center Fire Department/Paramedics transported Sky to Palomar Medical Center Escondido located at 185 Citracado Parkway, Escondido, CA 92029. I accompanied Sky inside the ambulance (Ambulance #161).

Sky sustained skin, soft tissue, and muscle injuries to his left arm from the K-9 contact and less lethal shotgun. Dr. (b)(5)(B) admitted Sky to Palomar Medical Center in Escondido for treatment.

Sky took (b)(5)(B) car, a 1995 White Saturn, and drove down the street.

(b)(5)(B) stated she was in the process of selling Sky her white 1995 Saturn. (b)(5)(B) stated Sky left his cell phone in her residence.

I concluded my interview with (b)(5)(B)

## INVESTIGATION CONT':

Deputy Buswell took photographs of Sky's Dodge Pickup Truck for evidence. (b)(5)(B) provided Deputy Buswell with Sky's cell phone. Deputy Buswell secured Sky's cell phone as evidence.

At this time, while monitoring radio traffic, I learned a person matching Sky's description attempted to carjack a vehicle near the ARCO station at 26915 Mesa Rock, in unincorporated Escondido. Sky fled the scene and went to a residence located at (b)(5)(A) in Escondido, where he broke into a residence, took the keys and stole a black Chevrolet Silverado truck (CA LIC (b)(5)(B), see EPD crime report (b)(5)(B) Sky did not have the owner's permission to take the black Chevrolet Silverado truck.

Sky fled the scene in the stolen Chevrolet Silverado truck. EPD Officers Guerrero and Mondragon located Sky and the stolen Chevrolet Silverado truck heading northbound on Interstate 15 (See EPD crime report (b)(5)(B)). EPD Officers Guerrero and Mondragon attempted to conduct a traffic enforcement stop on Sky in the stolen truck. Sky failed to yield to EPD Officers and a pursuit ensued, Sky was in violation of 2800.2 (A) VC (Evade Peace Officer with Wanton Disregard for Safety).

The pursuit continued back to the Hideaway Lake Estates in Valley Center. Sgt. Byrne, Deputy Buswell and I planned to assist Valley Center Deputies Baydo, Jones, Stapleton and EPD Officers Guerrero and Mondragon conduct a high risk traffic stop. Deputy Baydo utilized his department issued tire deflation device to help end the pursuit near Lilac Road and Anthony Road (See Deputy Baydo's report). Sky and the Chevrolet Silverado truck eventually came to a stop outside (b)(5)(B) residence ( (b)(5)(A) at the Hideaway Lake Estates in Valley Center.

Deputy Stapleton conducted a high risk vehicle stop and ordered Sky out of the vehicle but Sky refused to comply (See Deputy Stapleton's report).

Due to Sky pointing a shotgun or rifle at some of the homeowners at Hideaway Lake Estates and failing to yield to EPD Officers, I believed Sky would hurt or kill someone. I believed the most effective way to help bring Sky into custody and to prevent Sky from hurting or killing someone was to point my department issued Remington 870 shotgun at him in an effort to make him comply with Deputies' instructions. The use of pointing my Department issued Remington 870 shotgun at Sky was not effective in gaining compliance from Sky.

Sky stepped out of the Chevrolet Silverado but refused to comply with the rest of Deputy Stapleton's instructions. Sky kept turning his head back and kept on looking at (b)(5)(B) residence. Sgt. Byrne gave Sky verbal commands but Sky refused to follow Sgt. Byrne's commands. Sky attempted to look back and pivot his body as if he was going to run. Sgt. Byrne deployed his less lethal shotgun and contacted Sky on his right thigh with a "bean bag" (See Sgt. Byrne's report).

Deputy Crawford's K9 partner (Marko) was deployed and deputies were able to detain Sky in handcuffs (See Deputies Baydo, Crawford and Cpl. Jones' reports).

Sky was placed into Deputy Stapleton's patrol car. Deputy Stapleton and Deputy Westfall rendered medical aid to Sky while waiting for Valley Center Fire Department/Paramedics to arrive on scene.

Deputy Buswell and I conducted a search of the Chevrolet Silverado truck. The shotgun (Serial #TR12086544) was located on the passenger's side of the Chevrolet Silverado truck. The shotgun had a side saddle holding four shotgun shells. A shotgun shell was located on the driver's seat and floorboard of the driver's side of the Chevrolet Silverado truck. Deputy Baydo took photographs of the Chevrolet Silverado truck and Sky's shotgun and shotgun shells.

Deputy Buswell and I recovered Sky's shotgun and shotgun shells from the Chevrolet Silverado truck. Deputy Buswell inspected the shotgun and determined it was unloaded. Based on the position of the shotgun and shotgun shells it appeared as if Sky was in the process of loading the shotgun for use. Deputy Buswell and I secured Sky's shotgun and shotgun shells as evidence.

Valley Center Fire Department/Paramedics Ambulance #161 arrived on scene and examined Sky. Valley Center Fire Department/Paramedics determined Sky should be transported to Palomar Medical Center in Escondido for further medical evaluation and treatment. I accompanied Sky in ambulance #161 to Palomar Medical Center, Escondido.

The Chevrolet Silverado LIC (b)(5)(B) was towed by AL's Towing per 22651 (H)(1) (Driver Arrested). The Saturn SL LIC (b)(5)(B) was towed by A to Z Towing per 22655.5(A) (Evidence Hold).

Due to Sky retrieving his shotgun from his Dodge Pickup truck and the possibility of Sky storing additional firearms and ammunition in his Dodge Pickup truck, Deputy Buswell and I determined the Dodge Pickup truck must be impounded as evidence. The Dodge Pickup LIC (b)(5)(B) was towed by the Sheriff's Crime Lab per 22655.5 (Evidence). Deputy Westfall contacted Sheriff's records and notified Records Clerk (b)(5)(B) of the vehicle impounds at about 0530 hours.

At Palomar Medical Center, Dr. (b)(5)(B) admitted Sky to the hospital. Dr. (b)(5)(B) informed me Sky sustained skin, soft tissue, and muscle injuries to his left arm and right thigh, and a broken left elbow.

Due to Sky undergoing surgery and being under the effects of anesthesia he was unable to be admonished and was unable to provide a statement.

VDF Deputies Rabadi and Brennan took custody of Sky at Palomar Medical Center in Escondido. Upon Sky's discharge from the hospital, Sky will be transported to VDF and booked into jail.

At the Valley Center Patrol Station, Deputy Buswell and I measured the length of the shotgun barrel and length of the shotgun. Deputy Buswell and I took photographs of the lengths of the barrel and shotgun and their measurements. The barrel measured approximately 16 inches long. The required legal length is 18 inches long. The barrel appeared to be altered and cut.

At my request, Sgt. Byrne conducted a firearms records check on Sky. The records check revealed Sky purchased a Mossberg Maverick 12 gauge shotgun (Serial #TR12086544) with a 28 inch barrel on 07/25/2015. This is the same gun we recovered in the Chevy Silvarado.

Deputy Buswell and I copied the photographs and (b)(5)(B) video onto a Photo CD for evidence. I packaged and sealed the Photo CD, Sky's shotgun, shotgun shells, and cell phone separately. I placed all evidence related to this case into evidence at the Valley Center sub-station.

I contacted (b)(5)(B) of Adult protective Services (APS) and advised her of the two emergency referrals. Additionally I faxed a copy of the emergency referrals to APS.

## EVIDENCE:

- Item #1, Photo CD
- Item #2, Shotgun (Mossberg Maverick, Serial # TR12086544 ,12 gauge)

**REPORT NARRATIVE****ORIGIN:**

On 8/11/18, at about 2040 hours, I responded to a traffic pursuit involving a subject wanted for assault with a deadly weapon and carjacking. The suspect, later identified as Sky Oliver, was said to be armed with a shotgun. The Escondido Police Department was pursuing the suspect northbound on Interstate 15 near Dear Springs Rd, Unincorporated Escondido. (CAD #E5153463)

**DEPUTY'S OBSERVATIONS AND ACTIONS:**

Underneath the overpass of Interstate 15 and El Norte Pkwy, I responded code 3 (Lights and Siren) in an attempt to catch up with the traffic pursuit traveling northbound on Interstate 15. At this time, Escondido officers were approaching Deer Springs Rd. The Escondido Police Department was requesting assistance from the Sheriff's Department in the traffic pursuit. I followed Deputies Westfall and Jones northbound on Interstate 15.

Escondido officers broadcasted that the vehicle (black Chevrolet Silverado) had stopped at the Hideaway Lake Estates located at (b)(5)(A) Lilac Rd, Valley Center. At about 2105 hours, Deputy Westfall and I arrived on scene. I took a position on the driver's side of the Escondido Police vehicle that was positioned behind the black Chevrolet Silverado. The Silverado was later determined to be an unreported stolen vehicle.

I observed a male in the driver seat of the vehicle who was later identified as Sky Oliver. I pointed my department issued Glock 22 at Oliver. I observed Sgt. Byrne and two Escondido Police officers standing near a home on the passenger side of the Silverado.

The decision was made to conduct a high risk vehicle stop in order to contact Oliver. I instructed Oliver to, "Come out slowly with your hands up." Oliver partially opened the driver's side door. I then instructed Oliver to, "Step out with your hands in the

air." Oliver disregarded my verbal commands and did not exit the vehicle. At this time, Sheriff's K9 Deputy Crawford could not enter the gated community due to the gate being shut.

Next, I instructed Oliver to, "Come out with your hands up. Keep your hands up. Come out of the car." At this time, Oliver started to exit the vehicle with his hands up. Oliver exited the vehicle. I instructed Oliver to, "Face away from me." Oliver disobeyed my verbal commands and turned towards me.

At this time, Deputy Crawford arrived on scene and took over verbal commands. During this time, Oliver disobeyed Deputy Crawford's verbal commands and kept standing in the roadway. Oliver was yelling incoherently and pointing at a residence facing my location. Due to Oliver's erratic behavior, I believed he could possibly be under the influence of a controlled substance.

I then heard Sgt. Byrne instruct Oliver to get on his knees. Oliver disobeyed Sgt. Byrne verbal commands and did not get on his knees.

Deputy Crawford's K9 partner (Marko) was deployed and deputies detained Oliver in handcuffs. I holstered my department issued handgun.

The use of pointing my handgun was not effective in gaining compliance of Oliver. However, if I had not pointed my handgun at Oliver, I feared he may have attempted to flee, retrieve a weapon, or assault Law Enforcement, which would have posed a significant danger to Law Enforcement and the public.

While Oliver was being placed into the back of my patrol vehicle, I observed a laceration to the inside of his left arm. This wound was bleeding profusely. Fearing it was possibly an arterial bleed, I placed a tourniquet on Oliver's left arm. Deputy Westfall assisted me with securing the tourniquet. This stopped the profuse bleeding. The Valley Center Fire Department responded to the scene and transported Oliver to Palomar Medical Center.

An unloaded, sawed off shotgun was located inside the passenger compartment of the Chevrolet Silverado.

I had no further involvement in this case.

## REPORT NARRATIVE

### ORIGIN:

On 08-11-2018, at about 1950 hours, Valley Center deputies were dispatched to Hideaway Lake Estates located at (b)(5)(A) Lilac Road, Valley Center to investigate a report of an assault with a deadly weapon (CAD #E5153404).

My involvement in this incident was captured by my body worn camera.

### INVESTIGATION:

Due to the serious nature of the call, I activated my Sheriff Patrol vehicle's lights and siren (Code 3) as I responded from the Valley Center Station.

Prior to my arriving at the scene, Sheriff's dispatch radioed to the responding units the suspect fled the area in a white Saturn sedan with black paper license plates. I checked the surrounding area for that vehicle with negative results.

Deputies Buswell and Aguirre responded to the scene and provided updates as to the suspect and his possible destinations. The description provided to the Valley Center deputies was as follows; the suspect was identified as Sky Oliver who was wearing women's jean shorts and a blue tank top or sports bra. He was dressed as a woman and was armed with a sawed off shotgun. Oliver was enroute to two possible locations. The CVS located at 2427 E Valley Pkwy in Escondido and or 3106 Roadrunner Rd in San Marcos. Sheriff's dispatch ran Oliver in the law enforcement data base (b)(5)(C). This data based showed in March of 2018 Oliver was contacted by the Escondido Police Department. During the contact he was in possession of a pistol and a loaded shotgun.

I went to the CVS in Escondido and did not locate Oliver or his vehicle. I did speak with several employees at CVS who stated Oliver had not been in the store for several weeks.

At about 2030 hours, Sheriff's Dispatch broadcasted a carjacking at the AM/PM gas station located at I-15 and Deer Springs Rd. The suspect in this crime was driving a white Saturn. He was described as a male dressed as a woman wearing women's blue jean short and a sports bra. The description was the same as Oliver. This male fled the AM/PM gas station and drove southbound in I-15 in a white Saturn sedan.

At approximately 2048 hours, Escondido Police responded to a burglary in progress at (b)(5)(A) (b)(5)(A) in the city of Escondido. Upon arriving at the scene they were informed Oliver had burglarized the home and stole a black Chevy Silverado pickup Ca. License (b)(5)(B). Escondido Police units located the black Chevy Silverado pickup northbound I-15 at Deer Springs Rd. They pursued the vehicle as it headed back towards Valley Center, traveling eastbound on Old Castle Rd.

As I was monitoring the pursuit, Oliver was leading the deputies back into Valley Center towards our location. Believing Oliver was heading back to Hideaway Lakes Mobile Home Park, Deputy Baydo set up a tire deflation device (spike strip) at Lilac Rd near Anthony Rd. In anticipation of Oliver heading back to Hideaway Lakes Mobile Home Park, I went back to the mobile home park to cover Deputies Buswell and Aguirre who were still at the scene obtaining victim and witness statements from the earlier incident.

I heard Deputy Baydo radio he successfully deployed the tire deflation device on the stolen black Chevy Silverado pickup. I then heard deputies radio the stolen black Chevy Silverado pickup was entering the Hideaway Lakes Mobile Home Park. I positioned my patrol car at the entrance of Pine Street and activated my emergency overhead lights. Deputy Buswell did the same. I chose to park our vehicles in this manner for the following reasons and not necessarily in the order given;

- 1) We did not block the road, but made the entrance into the street where the elderly victims lived narrow so Oliver would have to slow down while making the turn onto the street. This slow speed would make his vehicle less of a missile and deadly weapon.
- 2) With his vehicle slowed down it would allow us more time to react to his actions if he turned onto the street.
- 3) I wanted to use our marked patrol cars with their overhead emergency lights flashing as a show of force. I believed Oliver would see our vehicle and realize further action on his part would be futile and he would surrender peaceably.
- 4) It was our belief that Oliver was still armed with the sawed off shotgun. I felt it was our duty to protect the victims in previous assault and place ourselves between them and Oliver. I armed myself with my less lethal beanbag shotgun as Deputy Aguirre armed himself with a shotgun and Deputy Buswell armed himself with his rifle.

As Oliver and the pursuing Deputies entered the mobile home park, Sheriff's ASTREA Helicopter who was orbiting the pursuit, radioed that Oliver had taken a side road that we were not aware existed and came up behind our location.

Deputies Buswell, Aguirre and I ran back up Pine Street as the stolen black Chevy Silverado pickup driven by Oliver came to a stop almost in front of space (b)(5)(A). I could hear the deputies yelling at Oliver to show his hands and give up. Oliver was yelling back at them. I climbed over a small block wall so I could position myself to the rear of the stolen vehicle and assist in the high risk vehicle stop. As I was doing this, I observed Escondido Police Officers Mondragon and Guerrero standing parallel to the stolen black Chevy Silverado pickup's passenger door. I later learned that both officers had abandoned their patrol vehicle and positioned themselves just off of the passenger side door of the stolen vehicle.

Officer Mondragon had his gun out and was shouting orders for Oliver to surrender. Oliver was ignoring him. I was unable to pass Officer Mondragon since he was blocking my path to take cover behind the stolen car. Oliver was arguing with Mondragon and stated he just stole his brother in law's truck because he wanted to see his daughter in space (b)(5)(A). Since I was stuck in my current location and Mondragon was not moving, I began to give Oliver verbal commands.

I pointed my Less Lethal Beanbag Shotgun at Oliver. I told Mondragon I was armed with a Less Lethal Beanbag Shotgun. Oliver demanded to see his daughter and fiancé. I told him that was not possible. Oliver stated he did not recognize the Escondido Police Officers as real law enforcement. I told him I was a sergeant with the Sheriff's Department and told him to please put his hands on top of his head. Oliver complied briefly with my order.

For several minutes Oliver began making demands to see his child and exit the vehicle. He would drop his hands to shoulder height or waive them around. During this time I would redirect him to keep his hands up and I denied his requests to see his child. This stalemate went on for several minutes with Oliver refusing to exit the vehicle. Oliver then began demanding that he wanted his attorney present and he was not going to comply with any of our orders until we listened to him first. He demanded to speak with the president. At about this time, Oliver dropped his hands out of my view and I shouted for him to raise his hands. I then stated in a loud clear voice for all of the deputies and Oliver to hear that if Oliver dropped his hands again I would "beanbag him." This was based on my belief that Oliver was armed with a firearm and he was attempting to retrieve it.

Deputy Stapleton who had repositioned himself at the Escondido Police vehicle, told Oliver to exit the stolen vehicle. Oliver eventually complied and stepped out of the truck. Deputy Stapleton gave numerous commands for Oliver to back up towards his voice and to turn and face away from him. I watched as Oliver was told repeatedly, over ten times to keep his hands up and walk backwards. Oliver refused and began arguing with the deputies on scene. I overheard an unknown deputy tell Deputy Stapleton he wanted to have Oliver come towards the passenger side of the vehicle. I believe the reason this was said was due to the poor positioning of the Escondido Patrol car that was off set behind the stolen black Silverado.

The Escondido patrol car was positioned to the far left side of the road making it nearly impossible to have an uncooperative suspect safely navigate the narrow passage between the Escondido Patrol car and a fence to the nearby mobile home located on the driver side of the street.

As Oliver walked back to Deputy Stapleton's voice, he began to look around and point at the deputies at the scene. He was arguing with the deputies. I believed Oliver was formulating a plan of some sort. Possibly escape or to run into space (b)(5)(A) and create a hostage situation with his daughter. Oliver appeared to be stalling for time.

I came to this conclusion based on my 28 years of law enforcement training and experience which includes working as a Sheriff's patrol deputy for ten years and participating in hundreds of high risk vehicle stops. Additionally I worked the fugitive unit as both a Deputy Sheriff and County Marshall. I have executed over a thousand felony arrests warrants where hundreds of these fugitives employed this same technique of saying they were being cooperative only to gauge their avenue of escape and run as they feigned compliance with the law enforcement officers executing the arrest warrant.

At one point in the high risk stop Oliver began to bend at the waist as if he was going to lie down but stood back up. As he did this it appeared as if he was surrendering and the deputy's voices began to become less loud and intense. Oliver stood up and walked backwards. As he was walking backwards he began to test the deputies by turning and looking back to where the K9 handler and other deputies were located. At one point, Oliver nearly turned around and walked towards Deputy Stapleton while facing him.

As he got closer to Deputy Stapleton, Deputy Crawford turned and began to run around the back of the Escondido Police vehicle to the driver side of the vehicle where Deputy Stapleton was. As he did this, I shouted for Oliver to get on his knees. I did not want him to get any closer to the deputies. I believed he was going to fight with Deputy Stapleton in the confined area near the Escondido Police vehicle driver side car door.

Oliver had not been patted down for weapons. Although he was wearing women's garments he could have a conventional or unconventional weapon concealed on his person. I believed that Oliver was desperate enough to use this weapon or grab a deputy's gun so he could either commit suicide by cop or disarm a deputy and shoot one of the seven duties on the scene.

As Deputy Crawford repositioned himself, I briefly took over verbal commands and ordered Oliver to get on his knees. It appeared to me as if Oliver saw the K9 move towards the back of the Escondido patrol car. I watched as Oliver looked around then looked straight ahead towards space (b)(5)(A). There were no deputies in front of him and he had a straight shot to the front door of the residence which was about fifty feet away. I watched as Oliver moved his right leg back and dropped his arms from over his head to his shoulders. It looked to me as if Oliver was going to run to space (b)(5)(A) or back into the Chevy pick up to arm himself with the sawed off shotgun.

In lieu of deadly force, I deployed (fired) one less lethal beanbag round into Oliver's upper right thigh. Oliver fell to the ground as I racked another less lethal round into the chamber for a follow up deployment. As I did this Deputy Crawford deployed his K9 partner Marko at Oliver whose hands were now out of my view. The K9 made contact with Oliver's upper left shoulder and he was taken into custody, handcuffed without further incident.

I believed had I not deployed the less lethal bean bag round, Oliver would have run into space (b)(5)(A) and created a hostage situation with his daughter. This action could have resulted in an officer involved shooting. It also prevented the occupants of space (b)(5)(A) from being taken hostage and possibly killed by Oliver who was acting bizarre and desperate. Oliver also appeared to be under the influence of a controlled substance. This was based on his fragmented thoughts, speech and excited state.

While on the scene, deputies discovered a sawed off double barreled shotgun on the front passenger seat / floorboard area of the stolen black Chevy Silverado Oliver was driving. The sawed off shotgun had an ammunition carrier affixed to the fore end with four unspent 12 gauge shotgun rounds in the carrier. On the driver side seat where Oliver was sitting was an unspent 12 gauge shotgun round. On the floor board just below the driver's seat, was another unspent 12 gauge shotgun round.

While still at the scene, I was contacted by Oliver's estranged girlfriend (b)(5)(B) who asked me what occurred. I took the following statement from her. For complete details of her statement refer to my body worn camera footage of her interview.

Statement of (b)(5)(B): (Witness)

(b)(5)(B) essentially told me Oliver is her estranged boyfriend and the father of her child. She ended her relationship with Oliver one year ago. She told me Oliver has owned firearms in the past and she believes the shotgun used tonight was his. (b)(5)(B) also told me Oliver uses methamphetamine and this might explain his bizarre behavior tonight.

## INVESTIGATION CONTINUED:

I made several administration notifications based on the nature of the events that occurred.

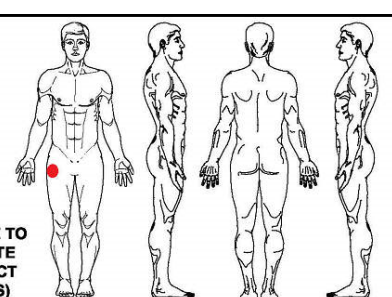

This essentially concluded my involvement in this case.

**REPORT NARRATIVE****ORIGIN:**

On 08-11-2018, at approximately 2041 hours, I was dispatched to Valley Center to assist Deputies and Escondido Police with a traffic pursuit of a subject wanted for PC 215 Carjacking, PC 245(a)(2) Assault with a Deadly Weapon, and PC 417(a)(1) - Threat with a Weapon.

**DEPUTY'S OBSERVATIONS AND ACTIONS:**

At about 1953 hours, Deputy Buswell (#1118) broadcasted over the sheriff's radio that the subject was positively identified as Sky Oliver (b)(5)(A). The subject was described as a white male adult, 6'00, 180 pounds, blond hair with a pony tail, shirtless with a gray bra and blue jean cut-off shorts. Deputies further stated Oliver was armed with a sawed off shotgun and pointed it at multiple victims and threatened to shoot them.

A short time later, San Marcos deputies received a call of an attempted carjacking at the ARCO station located at 26915 Mesa Rock Road, Unincorporated Escondido. At 2048 hours, Escondido Police located the suspect matching the carjacking and assault with a deadly weapon description traveling at a high rate of speed northbound on the Interstate 15 freeway, north of Deer Springs, unincorporated Escondido. Escondido Police attempted a traffic stop on the vehicle but Oliver failed to stop. The pursuit continued into Valley Center and the vehicle entered the Hideaway Lakes mobile home park located at (b)(5)(A) Lilac Rd, Valley Center. The vehicle stopped in front of space (b)(5)(A) and Deputies and Escondido Police conducted a high risk vehicle stop. I was about five minutes from arriving when I heard Deputies advised over the Sheriff's radio that Oliver was not complying with officer's commands. At 2121 hours, I arrived on scene.

Based on my training and experience, violent fleeing felony suspects may commit violent and potentially lethal actions against law enforcement or citizens to avoid detention or arrest. Due to the seriousness of the crimes already committed by Oliver, I believed he would potentially use lethal actions against law enforcement or citizens to avoid capture and may become desperate enough to take nearby citizens hostage if he sees an opportunity to improve his chances of escape. Having knowledge that the suspect was armed with a shotgun and had just committed multiple violent felonies, I retrieved my K9 partner Marko from my patrol vehicle. Utilizing my Sheriff's K9 partner can be both beneficial to prevent the use of a higher level of force, protection of law enforcement personnel and citizens as well as a psychological intimidation tool.

I took control of Marko by his harness and made my way up to the primary patrol vehicle's front passenger side door. I noticed Oliver had just exited the vehicle and was standing by the driver side door with his arms partially up. Oliver was not complying with Deputy Stapleton's (#4200) commands to keep his hands up and to walk backwards. Oliver kept turning towards deputies and officers and was refusing to walk back towards the patrol car as directed by Deputy Stapleton. I felt that Oliver kept looking at deputies and officers on scene so he would know our locations and possibly formulate a plan to grab his shotgun and shoot us before we were able to stop him.

I took over verbal commands and noticed Oliver attempting to walk back towards his vehicle. Knowing that Oliver was armed with a shotgun and was within a close proximity of his vehicle, I feared he would retrieve the shotgun from the vehicle and shoot law enforcement or potentially nearby citizens. I gave Oliver three K9 announcements. The K9 announcements consisted of "Stop right there or you will get bit!" "Comply or you will get bit!" "Back up or you will get bit!" During my K9 announcements, Oliver continued to act erratic and was screaming unknown verbiage and kept pointing at a nearby mobile home.

After my K9 announcements, Oliver slowly began walking backwards as instructed but then would stop when told not to. Oliver would then turn in a half circle, put his arms down bend over towards the driver side of his vehicle. I feared he was bending over towards the vehicle as a way to gain an advantage by getting closer to the vehicle door in an attempt to retrieve the shotgun.

Oliver started to walk backwards again then would stop and continue to yell and put his hands down and turn towards deputies. I believed Oliver was attempting to see where Deputies and I were standing to potentially harm us as it was unknown if he was armed with another weapon. Oliver eventually stopped about ten feet in front of me and refused to continue walking back as instructed to do so he could be safely placed into custody. It was still unknown if anyone else was inside the vehicle Oliver was driving.

Sgt Byrne (#1316) was also on scene and ordered Oliver to stop and to get on his knees. Oliver refused Sgt Byrne's commands and I noticed Oliver step forward and then the opposite direction he was being told to do. Sgt Byrne then shot Oliver with the bean bag, resulting in Oliver falling to the ground. Oliver had just committed multiple violent felonies that included pointing a shotgun at multiple people and threatening to shoot them as well as an attempted carjacking. I believed the seriousness of the crimes committed by Oliver and his disregard for obeying deputies and officer's commands created a high risk situation for law enforcement as well as a threat to the safety nearby citizens.

At the same time and while Oliver was distracted from being struck by a bean bag, I deployed my K9. I could not see Oliver's hands and deployed my K9 in order to stop him from arming himself and the opportunity to get up and retrieve his shotgun from his vehicle creating a deadly force situation. Deploying my K9 also prevented and controlled Oliver from potentially arming himself while on the ground since I could not see his hands and he had not been searched. After Deputies assisted me by placing Oliver in handcuffs, I physically removed Marko from Oliver's left arm.

I was later notified by Deputy Baydo (#0757) that a shotgun was located on the front passenger seat of the vehicle Oliver was driving. There were unspent shotgun shells on the ground and on the shotgun shell holder. The vehicle Oliver was driving, a Black Chevy Silverado, was later determined to be an unreported stolen vehicle.

A request for paramedics was made. The Escondido Fire Department and Medics arrived on scene and medically triaged Oliver's injuries from the K9 bite. Oliver was transported via paramedics to the Palomar Medical Facility.

At 1944 hours, I notified dispatch to contact the K9 unit Sergeant and advise him of the K9 contact. Deputy Plutarco (#0606) from the Sheriff's Canine Unit arrived at Palomar Medical Facility to complete a K-9 deployment investigation. Oliver was treated by the emergency room Doctor (b)(5)(B) for punctures and two lacerations to his left shoulder area.

I later completed a Department of Animal Control Bite Report, which was faxed to the Carlsbad Humane Society. A County of San Diego (Use of Force) SO-120 form was completed, which detailed the canine contact points during the apprehension of Oliver.

Deputy Buswell determined through his investigation that Oliver will be charged with the following: PC 215 Carjacking, PC 245(a)(2) Assault with a Deadly Weapon, and PC 422(a) - Threat Crime with Intent to Terrorize, PC 33210- Possession of a Short-Barreled Shotgun, PC 368 (b)(1)- Elder Abuse, VC 10851- Vehicle Theft, and VC 2800.2(a) Felony Evading. Oliver remained in custody at the Palomar Medical Facility during the time of this report.

I activated my body worn camera (BWC) during the incident. I reviewed my BWC video prior to writing this report.

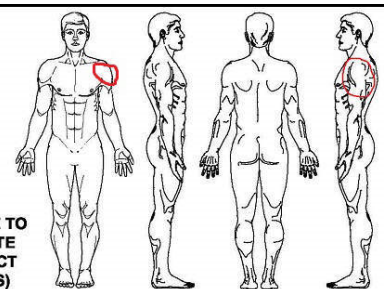

I conducted no further investigation.

**REPORT NARRATIVE****ORIGIN:**

On 08-11-2018, 1905 hours, I responded to a high risk vehicle stop in progress at (b)(5)(A) Lilac Road in Valley Center reference a vehicle pursuit subject.

My bodyworn camera was activated during this incident.

**DEPUTY'S OBSERVATIONS AND ACTIONS:**

I arrived on scene during the high risk vehicle stop and observed a subject, later identified as Sky Oliver exiting the vehicle. I retrieved the pepperball launcher from my patrol vehicle to provide a less lethal force option. I did not point the pepperball launcher at anyone.

The subject appeared to not comply with the Deputies commands. Oliver was struck by a less lethal beanbag round and fell to the ground. Sheriff K-9 was deployed on Oliver.

I handed my peperball launcher to Deputy Stapleton while other Deputies were placing Oliver in handcuffs. I double locked the handcuffs on Oliver. I assisted Oliver to his feet by holding onto his right arm. I instructed Oliver to walk to a patrol vehicle. I placed Oliver in Deputy Stapleton's patrol vehicle.

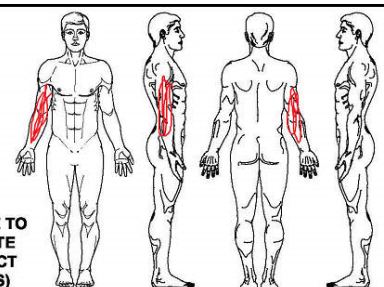

I had no further involvement in this case.

**REPORT NARRATIVE****ORIGIN:**

On 8/11/18 at about 2040 hours, I responded to a call for service of a threat with a weapon at the Hideaway Lake Estates located at (b)(5)(A) Lilac Rd, Valley Center in the county of San Diego (CAD# E5153463)

**DEPUTY'S OBSERVATIONS AND ACTIONS:**

Deputy Aguirre #3564 and I arrived at the above address and contacted several people. They said a white male adult, later identified as Sky Sierra Oliver, had pointed a shotgun at them and threatened to shoot them. At the time, the victims said Oliver had left the scene in a white sedan vehicle with a black paper plate.

I gave our dispatch a description of Oliver, the vehicle he was seen leaving the scene in and his possible direction of travel which was Escondido. A short time later dispatch informed deputies an attempted carjacking had just occurred at the Arco station located at 26915 Mesa Rock, in Unincorporated Escondido. The suspect in that call matched the description of Oliver and it was later determined it was Oliver.

The Escondido Police Department (EPD) located Oliver driving a black Chevy Silverado pickup truck northbound on interstate 15. It was later determined Oliver had burglarized a residence in Escondido and stole the keys to the black Chevy Silverado. EPD attempted to initiate a traffic enforcement stop on Oliver. Oliver failed to yield and a traffic pursuit ensued which involved EPD and Sheriff Deputies. The pursuit ended back at the original crime scene at Hideaway Lake Estates.

While listening to the pursuit on my radio, it was apparent Oliver was attempting to make his way back to Hide Away Lake Estates. I moved my patrol vehicle and parked it at the intersection of Pine St. and Lake Drive Circle which is located in the Hide Away Lake Estates. I took up a position with my department issued AR-15 near my patrol vehicle and waited for Oliver. When Oliver entered the Hide Away Estates, he saw my vehicle and made a left turn onto Pepper Dr. and came around onto Pine St. Oliver stopped the stolen vehicle in the middle of Pine St. near space (b)(5)(A)

I repositioned myself near space (b)(5)(A). Due to the fact Oliver had been seen with a Shotgun, had verbally threatened to shoot people and had already refused to surrender to law enforcement, I pointed my AR-15 at Oliver who was sitting in the driver's seat of the stolen Chevy Silverado. It was unknown at the time if Oliver was still armed with the shotgun or if the shotgun was in the vehicle.

Based upon Oliver's earlier actions, my training and experience and Oliver's erratic irrational behavior it was highly likely Oliver was under the influence of a controlled substance. Due to these factors I feared if Oliver was still in possession of the Shotgun, I believed he could have easily grabbed the shotgun from inside the vehicle and shot myself or one of my partners. There was also the risk of Oliver attempting to escape and barricade himself inside a nearby house due to the close proximity of the other houses.

Oliver was yelling, screaming and waving his hands around while still sitting in the driver's seat of the stolen Chevy Silverado. Verbal commands were repeatedly given to Oliver for approximately 2-3 minutes to exit the vehicle, but Oliver continued to argue and say he wanted to go into the house and say goodbye to his kids. Oliver eventually exited the vehicle, but was still refusing to follow verbal commands by the deputies to walk back to them. Oliver kept turning around, pacing back and forth and waving his hands around.

Due to Oliver's noncompliance the situation was becoming tense and uncertain. Things could have rapidly evolving into a worse situation if Oliver was not taken into custody quickly. Oliver could have run into a house or back to the truck where he could have retrieved the shotgun if it was still inside the vehicle. At this point Sergeant Byrne deployed his less lethal bean bag shotgun one time. Deputy Crawford then deployed his K9 partner Marko. This was effective in preventing Oliver from doing any of the aforementioned things. Oliver was taken into custody. The Valley Center Fire Department responded to the scene and transported Oliver to Palomar Medical Center. Oliver was admitted into the Palomar Medical Center pending being booked into the Vista Detention Center.

A search of the Chevy Silverado revealed a sawed off shotgun on the passenger floor board with in close proximity of Oliver's reach. There was also several shotgun shells located inside the vehicle.

I contacted the on call Elder Abuse Detective, Detective Proffitt #6978. I informed Detective Proffitt that two of the victims were over the age of 65. Detective Proffitt advised me there was probable cause to charge Oliver with 368 (B)(1) - PC - LIKELY TO CAUSE HARM/DEATH OF ELDER /DEPENDENT ADULT.

I then completed Oliver's booking paper work and went to the Palomar Medical Center. When I arrived, Oliver was still in surgery. A short time later, Oliver came out of surgery and was placed in recovery room 42. Oliver had been heavily sedated due to having surgery. Due to this factor I was unable to admonish Oliver or question him regarding the incident.

I contacted the on duty Vista Detention Sergeant, Sergeant Milsap #5180, and informed her Oliver had been admitted to Palomar Medical Center. Sergeant Milsap informed me she would send a Vista Detentions Deputy to the hospital to relieve deputy Aguirre and I. Deputies Rabadi and Brennan arrived at the hospital and took custody of Oliver. I gave the booking paper work to the Vista Detention deputies and Deputy Aguirre and I left the hospital. We had no further contact with Oliver.

**REPORT NARRATIVE****ORIGIN:**

On 8/11/18 at about 2040 hours, I responded to a traffic pursuit involving a subject wanted for assault with a deadly weapon and carjacking. The subject later identified as Sky Oliver was said to be armed with a shotgun. The Escondido Police Department was pursuing the subject northbound on interstate 15 near Dear Springs Rd, Unincorporated Escondido. (CAD #E5153463)

My bodyworn camera captured the entire incident.

**BACKGROUND:**

Deputies and I had previous knowledge that Sky Oliver was armed and dangerous. He had threatened several residents with a rifle type firearm and stated he would shoot them. He also had tried to carjack someone at a gas station. With the knowledge that he was armed and had pointed a firearm at multiple people, I knew that he was unpredictable and that extreme caution needed to be used when dealing or confronting him.

**DEPUTY'S OBSERVATIONS AND ACTIONS:**

While searching the area near Interstate 15 and El Norte Pkwy for Oliver, Escondido officers were following a black Chevrolet Silverado that was being driven by a male that matched the description of Oliver. The attempted to make a vehicle stop and when the vehicle did not yield it turned into a vehicle pursuit. I responded code 3 (Lights and Siren) in an attempt to catch up with the Traffic Pursuit traveling northbound on interstate 15. The Escondido Police Department was requesting assistance from the Sheriff's Department in the traffic pursuit. I followed Deputies Stapleton and Jones northbound on interstate 15.

Escondido officers broadcasted that the vehicle had stopped at the Hideaway Lake Estates located at (b)(5)(A) Lilac Rd, Valley Center. At about 2105 hours, Deputy Stapleton and I arrived on scene. My patrol vehicle was positioned in the number two position with an Escondido patrol vehicle positioned offset to the left of Oliver's vehicle in the number one position. I noticed that there were no officers anywhere near the number one vehicle. I alerted Deputy Stapleton that we should move up to the number one vehicle position for a better tactical position. I grabbed my department issued AR-15 and opened the passenger side door to use as cover while I acted as the cover deputy. Deputy Stapleton was positioned on the driver's side of the Escondido Patrol vehicle that was positioned behind the black Chevrolet Silverado. This vehicle was later determined to be an unreported stolen vehicle.

I observed Oliver in the driver seat of the vehicle. I pointed my department issued AR-15 at Oliver due to the previous knowledge that he was armed with a rifle and had already pointed it at several individuals. I observed Sgt. Byrne and two Escondido Police officers standing near a home on the passenger side of the Silverado.

The decision was made to conduct a high risk vehicle stop on the vehicle occupied by Oliver. I provided cover on the vehicle while Deputy Stapleton called out commands for the high risk vehicle stop. Deputy Stapleton instructed Oliver to "Come out slowly with your hands up." Oliver opened the driver's side door. He then instructed Oliver to "Step out with your hands in the air." Oliver disregarded Deputy Stapleton's verbal commands and did not exit the vehicle.

Deputy Stapleton instructed Oliver to "Come out with your hands up, Keep your hands up come out of the car." At this time Oliver exited the vehicle. Deputy Stapleton instructed Oliver to "Face away from me." Oliver disobeyed several verbal commands and faced towards Deputy Stapleton and myself.

Deputy Crawford arrived on scene and took over verbal commands. During this time, Oliver disobeyed Deputy Crawford's verbal commands and kept standing in the roadway pointing at space # (b)(5)(A)

The subject continued to not comply with the Deputies commands. Oliver took a position as if he were going to try and run into one of the nearby trailers; Sgt. Byrne instructed Oliver to get on his knees. Oliver disobeyed Sgt. Byrne verbal commands and did not get on his knees. Oliver was struck by a less lethal beanbag round and fell to the ground.

Deputy Crawford's K9 partner Marko was deployed and Deputies detained Oliver in handcuffs. I continued to point my AR-15 at the vehicle to act as a cover Deputy, in case there were additional suspects or threats that had not been addressed or secured.

The use of pointing my AR-15 was not effective in gaining compliance of Oliver. If I had not pointed my AR15 at Oliver and the vehicle, I feared he might attempted to flee, retrieve a weapon, or assault Law Enforcement, which would have posed a significant danger to deputies and officers on scene along with the public.

While Oliver was being placed into the back of Deputy Stapleton's patrol vehicle, Deputy Stapleton observed a laceration to the inside of his left arm. This wound was bleeding profusely. Fearing it was possibly an arterial bleed, a tourniquet on Oliver's left arm. I assisted with securing the tourniquet in a position that would stop the bleeding. This stopped the profuse bleeding. The Valley Center Fire Department responded to the scene and transported Oliver to Palomar Medical Center.

While assisting with clearing the Chevrolet Silverado, I observed an unloaded sawed off shotgun sitting muzzle down in the passenger compartment of the Chevrolet Silverado.

I had no further involvement in this case.

**REPORT NARRATIVE****ORIGIN:**

On 08-11-2018, 1950 hours, Valley Center deputies were dispatched to Hideaway Lake Estates located at (b)(5)(A) Lilac Road, Valley Center to investigate a report of an assault with a deadly weapon (CAD #E5153404).

**DEPUTY'S OBSERVATIONS AND ACTIONS:**

Based on the text of the call, I activated my sheriff patrol vehicle's lights and siren (Code 3) as I responded from the Valley Center station.

Prior to arriving to Hideaway Lake Estates, Sheriff's dispatch was informed by the reporting party that the suspect was driving northbound on Hideaway Lake Road toward Lilac Road. The vehicle was described as being a white passenger vehicle with temporary dealer plates.

I checked the surrounding area as I was concerned that the suspect, later identified as Sky Oliver (b)(5)(A) ) may still be in the area and attempt to ambush responding deputies.

As I was checking the area for Oliver and his vehicle, San Marcos deputies received a call of an attempted carjacking at the ARCO station located at 26915 Mesa Rock Road, Unincorporated Escondido.

Prior to deputies arrive on-scene, the suspect had fled. Officers from the Escondido Police Department (EPD) located a subject matching the given description traveling at a high rate of speed southbound on Interstate 15. EPD officers' attempted to conduct an investigative stop on the black Chevy Silverado truck, but Oliver failed to stop. EPD officers broadcast the pursuit on LE North Command and based on the direction of travel, I believed Oliver was possibly driving back to the Hideaway Lake Estates located at (b)(5)(A) Lilac Road.

Based on the fact that Oliver had pointed either a shotgun or rifle at some of the homeowners at Hideaway Lake Estates, and failed to yield to EPD officers', I believed we needed to get him into custody before he hurt or killed someone.

Believing the most effective was to bring the pursuit to a peaceful conclusion; I positioned my marked patrol vehicle at 29030 Lilac Road and placed my department issued tire deflation device on an embankment directly across from my location. I observed the black Chevy Silverado truck driving at a high rate of speed eastbound on Lilac Road toward my location. I pulled the tire deflation device into the lanes of traffic. The Chevy Silverado truck being driven by Oliver drove directly over the tire deflation device.

EPD officer continued to pursue after Oliver. Oliver's vehicle was ultimately disabled and finally stopped in front of residence at space # **(b)(5) (A)** of the Hideaway Lake Estates.

A high risk vehicle stop was conducted. Deputy Stapelton ordered Oliver out of the vehicle (See Deputy Stapelton's use of force report), and he failed to comply.

Deputy Crawford deployed his K9 partner, 'Marko' on Oliver as he continued to resist. I along with an EPD officer placed Oliver into handcuffs. Oliver was placed into the back seat of a marked patrol vehicle and was later transported to Palomar Hospital.

I took overall crime scene photo and later attached them to the arrest report.

That completed my involvement in this case.

On August 13, 2018, I spoke with the registered owner of the 2006 Chevy truck (b)(5)(B), (b)(5)(B) (b)(5)(B). (b)(5)(B) told me that Oliver is his brother-in-law. However, he did not give Oliver permission to use or take his truck. Additionally, (b)(5)(B) had to pay \$360.00 to retrieve his truck from the tow yard and is requesting restitution from Oliver.

On 08/11/2018, at about 1947 hours, Sky Sierra Oliver (DOB (b)(5)(A)) pointed a shotgun and made verbal threats to shoot four different people at the Hideaway Lake Estates, located at (b)(5)(A) Lilac Road, Valley Center, in the County of San Diego. After the altercation, Sky fled the scene in a white 1995 Saturn. Sky attempted to carjack a vehicle near the ARCO station located at 26915 Mesa Rock, in Unincorporated Escondido, CA, See Deputy Moreno's Crime Report #18141215. Sky fled the scene and went to a residence located at (b)(5)(A) in Escondido, CA, where he stole a black Chevrolet Silverado truck (CA LIC (b)(5)(B)) without the owner's permission (See Escondido Police Department Case Report (b)(5)(B)).

Sky fled the scene in the stolen Chevrolet Silverado truck. Escondido Police Department (EPD) Officers Guerrero and Mondragon located the stolen Chevrolet Silverado truck heading northbound on Interstate 15. EPD attempted to conduct a traffic enforcement stop on Sky in the stolen truck (See EPD Case Report (b)(5)(B)). Sky failed to yield in violation of 2800.2(A) CVC. A pursuit ensued which concluded back at the Hideaway Lake Estates in Valley Center where Sky was taken into custody after force was used (See use of force reports by Sgt. Byrne #1316, Deputies Buswell #1118, Westfall #0158, Baydo #0757, Stapleton #4200, Crawford #0045 and Aguirre #3564).

A Mossberg Shotgun with a visibly altered barrel and several shotgun shells were found inside the stolen Chevrolet Silverado truck. The shotgun had a barrel length of approximately 16 inches. Deputy Aguirre placed Sky under arrest for 245 (A)(2)PC (Assault with deadly weapon/firearm), 422(A)PC (Threaten crime with intent to terrorize), 368 (B)(1)PC (Likely to cause harm/death to elder/dependent adult), 496 D (A) PC (Possession of Stolen Vehicle) and 33210 PC (Manufacture/import/possess/etc. Short-Barreled Rife/Shotgun).

Valley Center Fire Department/Paramedics transported Sky to Palomar Medical Center Escondido located at 185 Citracado Parkway, Escondido, CA 92029. I accompanied Sky inside the ambulance (Ambulance #161).

Sky was admitted to Palomar Medical Center in Escondido for injuries suffered while being taken into custody. Vista Detention Facility (VDF) Deputies took custody of Sky at Palomar Medical Center in Escondido. Upon discharge from the hospital, Sky will be transported to VDF and booked into jail for the charges listed above.

## CASE INVESTIGATION:

I reviewed the crime/arrest report. I noted the registered owner of the Saturn was (b)(5)(B), who lived in space (b)(5)(A) at the Hideaway Lake Estates. There was a release of liability showing (b)(5)(B) as the buyer but no pending master on file. I went to the Hideaway Lake Estates and met with (b)(5)(B) who gave me the following statement.

STATEMENT OF (b)(5)(B) (Witness):

(b)(5)(B) stated she was living at the Hideaway Lake Estates located at (b)(5)(A) Lilac Road in Valley Center with her roommate (b)(5)(B). (b)(5)(B) purchased a white Saturn SL, bearing California License (b)(5)(B) from a neighbor, (b)(5)(B) in the beginning of the year, but the process was never finished, so (b)(5)(B) believed the registration was still in (b)(5)(B) name. The vehicle had damage to the ignition from having been stolen in the past. It therefore no longer needed a key to start because any screwdriver would work in the ignition.

On 8/10/2018 (b)(5)(B) asked (b)(5)(B) if her baby's father, Sky Oliver, could stay for a couple days. (b)(5)(B) agreed and said Oliver acted "normal" on the night of 8/10/18. (b)(5)(B) was in the process of selling her Saturn to Oliver for \$200 and therefore Oliver had permission to use the vehicle.

(b)(5)(B) was aware of many of the details of the events of the evening of 8/11/18 and gave consent to search her Saturn before it was released to her. (b)(5)(B) told (b)(5)(B) that Oliver frequently used methamphetamine. (b)(5)(B) was unaware if Oliver used methamphetamine on 8/11/2018, but said she witnessed Oliver consume approximately 1/2 bottle of vodka over the course of 5-10 minutes before the incident. Oliver was paranoid about people stalking him from around Black's Beach. (b)(5)(B) saw Oliver retrieve a shotgun from his Dodge pickup and "completely lost it" because he believed the people from Black's Beach were in Valley Center and following him.

(b)(5)(B) indicated the phone number provided to deputies on 8/11/18 no longer worked, so she provided the phone number for her ex-husband, (b)(5)(B) (b)(5)(A) and indicated release of her Saturn was authorized to either her or to (b)(5)(B).

## CASE INVESTIGATION CONT.:

Detective Culver spoke with (b)(5)(B) who confirmed she sold the Saturn to (b)(5)(B) in January. (b)(5)(B) signed a Consent to Search her vehicle.

On 8/15/18, Detective Culver, Detective Duong, Escondido Police Department Detective Wyse, and I contacted Sky Oliver, who was in Sheriff custody at the Palomar Medical Center in room 422.

## STATEMENT OF SKY OLIVER (Suspect):

I read Oliver his Miranda admonishment verbatim from my deputy notebook. He answered "Yes" to the first question and in response to the second question Oliver stated, "I'd like a lawyer present please." This concluded my interview with Oliver. I recorded the interview and placed a copy of the audio recording into the URL and placed a copy on an audio CD which I placed into Valley Center Evidence.

## REPORT NARRATIVE

### CASE SYNOPSIS:

On 08/11/2018, at about 1947 hours, Sky Sierra Oliver (DOB (b)(5)(A)) pointed a shotgun and made verbal threats to shoot four different people at the Hideaway Lake Estates, located at (b)(5)(A) Lilac Road, Valley Center, in the County of San Diego. After the altercation, Sky fled the scene in a white 1995 Saturn. Sky attempted to carjack a vehicle near the ARCO station located at 26915 Mesa Rock, in Unincorporated Escondido, CA, See Deputy Moreno's Crime Report #18141215. Sky fled the scene and went to a residence located at (b)(5)(A) in Escondido, CA, where he stole a black Chevrolet Silverado truck (CA LIC (b)(5)(B)) without the owner's permission (See Escondido Police Department Case Report (b)(5)(B)).

Sky fled the scene in the stolen Chevrolet Silverado truck. Escondido Police Department (EPD) Officers Guerrero and Mondragon located the stolen Chevrolet Silverado truck heading northbound on Interstate 15. EPD attempted to conduct a traffic enforcement stop on Sky in the stolen truck (See EPD Case Report (b)(5)(B)). Sky failed to yield in violation of 2800.2(A) CVC. A pursuit ensued which concluded back at the Hideaway Lake Estates in Valley Center where Sky was taken into custody after force was

used (See use of force reports by Sgt. Byrne #1316, Deputies Buswell #1118 , Westfall #0158, Baydo #0757, Stapleton #4200, Crawford #0045 and Aguirre #3564).

A Mossberg Shotgun with a visibly altered barrel and several shotgun shells were found inside the stolen Chevrolet Silverado truck. The shotgun had a barrel length of approximately 16 inches. Deputy Aguirre placed Sky under arrest for 245 (A)(2)PC (Assault with deadly weapon/firearm), 422(A)PC (Threaten crime with intent to terrorize), 368 (B)(1)PC (Likely to cause harm/death to elder/dependent adult), 496 D (A) PC (Possession of Stolen Vehicle) and 33210 PC (Manufacture/import/possess/etc. Short-Barreled Rife/Shotgun).

Valley Center Fire Department/Paramedics transported Sky to Palomar Medical Center Escondido located at 185 Citracado Parkway, Escondido, CA 92029. I accompanied Sky inside the ambulance (Ambulance #161).

Sky was admitted to Palomar Medical Center in Escondido for injuries suffered while being taken into custody. Vista Detention Facility (VDF) Deputies took custody of Sky at Palomar Medical Center in Escondido. Upon discharge from the hospital, Sky will be transported to VDF and booked into jail for the charges listed above.

## CASE INVESTIGATION:

On 8/21/2018 I searched (b)(5)(B) white Saturn pursuant to her signed consent to search form. I photographed the vehicle before and during my search. I took two swabs of the steering wheel which I later placed into evidence. I also observed five shotgun loads in the vehicle. All were black a2 gauge Mohawk by Remington rounds. One was located between the center console and the passenger seat. One was located on the front passenger side floorboard. A third load was found under the front passenger seat. The remaining two loads were inside a black bag in the trunk. Also inside the black bag in the trunk were a glass pipe with a bulbous end which contained burnt residue which I recognized as a pipe used for smoking methamphetamine, an open cylindrical plastic tube with a white crystalline residue, and a capped hypodermic syringe. On the front passenger seat I located a Marlboro brand opened pack of cigarettes. Inside were two capped hypodermic syringes, one of which was loaded with approximately 6cc's of an off white liquid. On the seat next to the Marlboro cigarette pack were Sky Oliver's California Driver License and Sky Oliver's Passport.

I walked around Sky Oliver's Dodge pickup truck and looked through the windows but saw nothing of evidentiary value in plain view.

**SAN DIEGO COUNTY SHERIFF'S DEPARTMENT  
MEMORANDUM**

DATE: 08/22/18

TO: Jacob Pavlenko, Lieutenant

FROM: James McConnaughey, Sergeant

SUBJECT: Review of CN# 18141208

**CONFIDENTIAL:**

On 08/11/18, at about 2030 hours, Deputy Crawford assisted Valley Center deputies with a radio call of a subject who was brandishing a weapon at people. The call was shortly updated to an assault with a deadly weapon call when the suspect, identified as Sky Oliver, pointed a shotgun at a victim and threatened to shoot them. Oliver fled the scene in his vehicle prior to deputy's arrival. A Be on the Lookout (BOL) was broadcasted for surrounding law enforcement agencies. A short time later, an attempted carjacking call out of Unincorporated Escondido was broadcasted over the radio with the suspect matching Oliver's physical description. The Escondido Police Department (EPD) spotted Oliver driving through their city and attempted to conduct a traffic stop. Oliver failed to yield and a pursuit ensued back into Valley Center. A tire deflation device was used to deflate three of the four tires on Oliver's vehicle. Oliver finally yielded at (b)(5)(A) Lilac Road, inside of the Hideaway Lakes Mobile Home Park.

Deputies conducted a High Risk Vehicle Stop and Oliver refused to exit the vehicle. After numerous commands to exit the vehicle, Oliver finally did but was not following orders of the deputies on scene. Deputy Crawford arrived on scene with his canine partner "Marko" and took over verbal commands. Deputy Crawford gave loud verbal commands for Oliver to comply with his orders or he would be bit. Oliver refused to obey Deputy Crawford's commands and was constantly pacing around, moving his hands up and down, and yelling at deputies on scene. Oliver was told to get on the ground by Sgt. Byrne. Oliver started to kneel and then stood up. Sgt. Byrne deployed a bean bag round and struck Oliver. Oliver fell to the ground with his back to deputies and his hands out of view. Deputy Crawford deployed Marko to apprehend Oliver. Marko bit Oliver on his upper left arm. Deputies moved up and placed Oliver into handcuffs. Marko was physically removed from the bite by Deputy Crawford. Oliver's vehicle was later cleared for possible suspects. A modified short barrel shotgun was located on the front passenger side floorboard and live shotgun rounds were located on the driver's seat and driver side floorboard.

Oliver was transported to Palomar Hospital and medically treated for two lacerations on the front upper portion of his left arm and raking to the back of his left arm. Deputy Crawford and Marko did not sustain any injuries. Oliver was later sedated and admitted into the hospital. Once medically cleared, Oliver will be booked into the Vista Detention Facility for carjacking, vehicle theft, residential burglary, assault with a deadly weapon, elder abuse, criminal threats, felony evading, and delaying a peace officer related charges.

#### **REVIEW:**

On 08/11/18, at about 2119 hours, I was notified by the Sheriff's Communication Center of the deployment in Valley Center. I notified Cpl. Vail of the deployment. Cpl. Vail contacted Deputy Crawford and was told Oliver was being transported to Palomar Medical Center located at 2185 Citracado Parkway in Escondido.

Cpl. Vail met with Deputy Crawford at the hospital and was briefed on the canine deployment. Medical staff wrapped Oliver's left arm and sedated him to complete x-rays. Cpl. Vail could not take photos of Oliver's injuries or obtain a recorded interview with Oliver. Cpl. Vail made all appropriate notifications to Emergency Services Lieutenant J. Pavlenko and Sheriff's D.I.S. Sergeant Mowins. Sgt. Mowins responded to the hospital.

#### **CONCLUSION:**

Deputy Crawford was wearing his department issued body worn camera (BWC) during this incident. I reviewed his video footage and footage from other deputies on scene. Oliver was already yelling at deputies during the high risk vehicle stop and would not exit the vehicle. Oliver would repeatedly raise his hands and then lower them out of view. Deputy Crawford arrived and Oliver was already exiting the vehicle to walk backwards to the deputies behind him. Oliver repeatedly stopped, turned around to look at the deputies, and would not follow directions. Deputy Crawford positioned himself on the passenger side front door and took over verbal commands to Oliver.

After several announcements, Oliver began to walk backwards again. Oliver stopped, turned to the deputies again, and placed his hands out to his side as he yelled at deputies. Sgt. Burn told Oliver to get on the ground. Oliver began to bend forward as to kneel, then immediately stood up. Sgt. Byrne deployed one bean bag round at Oliver. Oliver fell to the ground with his back to the deputies and his hands out of view in front of him. Deputy Crawford deployed Marko who bit onto Oliver's left shoulder area. Oliver began to scream and move around on the ground, but was unable to stand up. Deputy Crawford took physical control of Marko and removed him from Oliver after deputies placed his right hand into handcuffs. Deputy Crawford's BWC was knocked off as he was taking Marko off of Oliver.

Deputy Crawford's decision to use his canine was based on the following factors:

**Oliver was wanted for a violent felony, pointing a short barreled shot gun at the victims and threatening to shoot them.**

**Oliver attempted to carjack another vehicle in Unincorporated Escondido while armed with the shotgun.**

**Oliver refused to yield to the Escondido Police Department and fled in his vehicle without due regard for public safety.**

**Oliver refused to obey several lawful canine announcements to exit the vehicle and surrender during a high risk vehicle stop while armed with the shotgun.**

**Oliver displayed erratic and assaultive behavior that suggested a violent confrontation was likely as he was taken out of the vehicle and handcuffed by deputies.**

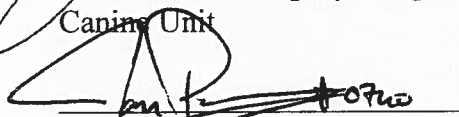

The use of the canine **was within policy** and deployed in an appropriate manner.

**INJURIES:**

Oliver sustained two lacerations on the front upper portion of his left arm and raking to the back of his left arm. Oliver was later admitted into the hospital.
